

# 14013916

## TECHNICAL SPECIFICATION

|                                 |                 |
|---------------------------------|-----------------|
| Product:                        | 14013916        |
| Work Size:                      | 275 x 85 x 50mm |
| Colour:                         | Brown Multi     |
| Variation/Texture::             | Light           |
| Soluble salts:                  | S2              |
| Durability against freeze/thaw: | F2              |
| Strength:                       | 50 N/mm2        |
| Absorption:                     | 10%             |
| Manufacturing:                  | Wirecut         |
